

## Iron County Register

R. D. AKE, : : : : EDITOR.

VOLUME XX. NUMBER 1.

IRONTON, MO.,  
THURSDAY, JULY 15, 1886.

FOR JUDGE OF THE 25TH JUDICIAL CIRCUIT:  
**JOHN L. THOMAS,**  
OF JEFFERSON COUNTY.

FOR RAILROAD COMMISSIONER:  
**JAMES F. HATTEN,**  
OF WAYNE COUNTY.

Carter county last Saturday instructed for Hon. J. Perry Johnson for State Senator and Hon. F. M. Cockrell for U. S. Senator.

But one man has announced for office in Pemiscot county. Think of that, and weep!

Out of the 138 delegates to the late county convention of Cape Girardeau county, 135 were for Cockrell. Evidently the Democrat didn't get its work in.

Bro. Harris, of the Piedmont Leader, in now enjoying the roar of Niagara Falls and contributing to the transient intelligence which periodically floods the East from the West. As we once before remarked, it is better to be born rich than good-looking.

The Cape Democrat says the Malden News "makes some very sensible remarks about the so-called instructions (for Cockrell) in Wayne, Butler, and Iron." "So-called" is good. Why, bless your innocent soul, Mr. Democrat, the instruction here was unanimously given. "So-called," indeed!

At a Democratic County Convention held in Jackson, last Saturday, delegates were selected to the state, Congressional and Senatorial Conventions. The delegates to the former are unselected. Those to the Congressional and Senatorial Conventions were instructed for Hon. Wm. Dawson and M. R. Smith, respectively. Out of 138 delegates in the Convention, 135 pronounced themselves in favor of Hon. F. M. Cockrell for U. S. Senator.

Political scandals follow each other in rapid succession in New York. The latest is confined within the happy Republican family. Mr. George Bliss, the star lawyer, asserts that in the campaign of 1884 the sum of \$50,000 was placed by Jay Gould in the hands of John J. O'Brien, the Republican leader in New York city, said sum to be expended by O'Brien in the city in procuring votes for Blaine, but that O'Brien quietly put the money in his own pocket. Mr. Bliss and Mr. O'Brien have fallen out and the former now demands that the latter shall render an account of his trust. This is not an unreasonable demand, but Mr. O'Brien does not appear to be at all anxious to comply with it.

Among the 4th of July returns we find the following in the Perryville Chronicle. We re-publish it as a sample of one of the ways in which we celebrate: "We are informed that the Milheim celebration terminated with a grand free-for-all slugging match in which many belligerent patriots had their frontispieces decorated in variegated colors in which black and blue predominated. We are informed that one Knall Kemper, who served a term in our county jail for carrying pocket artillery, was at Milheim picnic with his pocket cannon which he flourished around until he got a rumpus started. But Kemper got a bigger mill than he bargained for, and before it ran down he was downed and ground and pounded into a jelly. No arrests have been made so far as we know."

Fredericktown Plaindealer:—"Several of our exchanges in mentioning the matter speak of Hon. James D. Fox of this county as an avowed candidate for the Democratic nomination for Supreme Judge. In a recent conversation we asked Judge Fox if he was a candidate for the position and he replied in the negative. To an inquiry as to whether he would accept a nomination if tendered he said that the proper time to answer that question was not at present. The truth of the matter is that in the ordinary sense of the word he is not a candidate. He has been and is now attending strictly to his official duties as circuit judge despite the frequent and favorable talk about elevating him to the supreme bench. He will not be in attendance on the state convention and if the nomination is tendered him we will witness the novelty in these days of self-seeking of a man being nominated without a resort to the usual methods of politicians. His friends say that he will accept a nomination under such circumstances. Let Southeast Missouri send uninstructed delegations."

The 14th Congressional District.

The Congressional fight in the 14th District waxed warmer and warmer as the time for holding the convention draws nigh. Hon. A. H. Livingston, of Howell county, J. D. Walker, of Stoddard, and Wm. Dawson, present incumbent, of New Madrid county, are the candidates. This is not exactly our fight, but being naturally a fighting man we can't help taking interest in our neighbor's selection. The gentlemen who aspire for the position are, perhaps, all good and worthy men, but we must say to our friends there, that as we see the matter, Mr. Livingston is by far the best representative man announced in the 14th District. Mr. Livingston is young and possesses every qualification essential for the position. He is a self-made man, and would reflect great honor upon the State of Missouri in Congress. Mr. L.

is certainly the coming man from the Southeast. Missouri can't afford to dispense with his talent and ability; if he is not the nominee from the 14th District this year, let him not be discouraged, for his services will be needed, and the people of this State will not be long in finding it out.

### LAW AND ORDER LEAGUE.

First Convention at Sedalia, Missouri. Pursuant to a call, delegates from the various Law and Order Leagues of this and adjoining States, assembled at Sedalia, Mo., on Tuesday morning, June 28th.

Mr. L. C. Glessner, of the Sedalia League, called the meeting to order in a few well chosen remarks, and announced that the nomination of a chairman was first in order of business. Judge F. H. Leightner, of St. Louis, was put in nomination and unanimously chosen. Mr. L. C. Glessner, of Sedalia, was nominated and elected secretary.

Major E. W. Stephens spoke briefly and introduced Judge J. A. Lacy, who in behalf of the League and citizens of Sedalia, welcomed the delegates to the city. In substance he said: "We have assembled here in the interest of a good cause. It is not a project that we willingly undertook. It was forced upon us. We had hoped that the good judgment and the enlightenment of the American people were sufficient to protect life and guard the sacred rights of property. And even when we saw they were not, it was with regret that we resorted to the means of an organization to protect what all mankind believe to be sacred rights. It was a hard road to get out of a difficult place, but it was the only alternative. We are assembled here to strengthen the League and extend the organization. As the birthplace of the order, we feel a pride in our city, and to its hospitality we extend you a hearty welcome."

Judge Leightner responded to the address and returned thanks to the League and citizens of Sedalia for the hearty welcome extended the visiting delegates.

Business was then called, and after some discussion it was decided, on motion, to appoint a committee to prepare a plan of organization. A recess was then taken, and after the convention reassembled, the committee on organization recommended that an executive board be selected, which should have supreme authority, draft a constitution, make out charters, to the local leagues and establish a plan of government. The report was adopted and the following gentlemen were elected to constitute an executive committee, who will have power to act until the next annual session, which will meet the 4th Tuesday in June, 1887: Judge John H. Lightner, Chairman, and Anthony Ittner, of St. Louis, Capt. E. W. Stevens and A. P. Morey, of Sedalia, and H. L. Powell, of Belleville, Ill.

After all business has been disposed of, those who are fond of speeches demanded that they should be interested. Messrs. Stephens and Wilkerson, of Sedalia, and Pearson and Lightner, of St. Louis, were called for and each spoke briefly in regard to the object for which the League was organized, and the prospects for its future. After a few brief words of cheer the convention adjourned sine die. W. S.

### From a Minister.

Rev. C. T. Clark, a member of the South Georgia Methodist Conference, writes from Tatnall county, Ga.: "One year ago I was taken with rheumatism, and became almost helpless for over three months. All the remedies used seemed to fail until I commenced the use of Swift's Specific. I have taken five bottles, and am perfectly sound and well again. I would have written sooner, but wanted to see if the cure was permanent. And now I unhesitatingly recommend S. S. S. as a safe and reliable remedy for rheumatism. I have all confidence in its virtue."

### It Never Fails.

I have had blood poison ever since October, 1885, and obtained no relief from any treatment (and I tried several) until I commenced taking Swift's Specific. In one month I felt as well as I ever had. I also had a good appetite, and was entirely free from the pains in my shoulder and head, which had tormented me so long. Now all the sores and swellings from my head are gone.

### MISSOURI AGRICULTURAL COLLEGE AND

UNIVERSITY.

COLUMBIA, Boone Co., Mo., June 23, 1886.

To the Clerk of the Iron County Court:

SIR—It is my duty to inform you that, under

the provisions of an act of the General

Assembly, approved April 1, 1872, (vide

Session Acts, 1872, pp. 168-9, and Rev. Stat.

1879, Sec. 7267, 7268,) your county is entitled

to send to the departments of the Missouri

Agricultural College and University at

Columbia and Rolla, during the

year ending June 2, 1886, six students,

between the ages of sixteen and twenty-five

years. Under the rules adopted by the Board

of Curators, students "shall possess a good

moral character, and shall pass a satisfactory

examination in orthography, reading, writing,

arithmetic and geography," and must pay

the fees prescribed by said act, to wit: On

admission, an entrance fee of ten dollars,

and contingent fee of five dollars; and a like

contingent fee at the beginning of the second

half year, making the whole annual charge

twenty dollars; which must be paid by every

student, except regularly ordained ministers

of the gospel, belonging to any of the various

religious denominations in this State, and

indigent young men preparing for the minis-

try. For the schools of Law and Medicine

and Engineering, the annual charge is forty

dollars, each. The session of all the depart-

ments, under the presidency of Samuel S.

Laws, LL.D., will begin on the

First Tuesday (7th) of September,

and will continue until the first Thursday of

June, 1887—except that of the School of

Mines and Metallurgy at Rolla, which will

begin Monday, September 30th, and end June

9th, 1887.

Ample provision has been made for the

education and care of young women in all the

classes of the University, and a course of

study specially adapted for them has been

adopted. See catalogue 1885-86, page 240.

I beg to call your attention to the appended

extract from the law on this subject. You

will please, after giving two weeks' notice

to this certificate, transmit to me, on or

before September 1st, a list of the names of

all the youth of your county who intend to

make application for entrance into the

Agricultural College and University at the

commencement of the next session. If such

a list is not transmitted, students from

other counties will be allowed to enter in lieu

of those to which your county is entitled.

Board can be had in clubs in the college

building for male students at \$25 per week; in

private families at \$30 to \$45.

I am very respectfully, your obedient servant,

J. H. DRUMMOND, Secretary

Board of Curators, Missouri Agricultural

College and University of Missouri.

"The Secretary of the Board of Curators shall

cause to be transmitted to the Clerk of each

County Court in this State a certificate, stating

the number of pupils that such county is en-

titled to send to the State University the next

scholastic year, which certificate shall be pub-

lished by each County Clerk for two weeks, in a

newspaper published in said county. The ex-

pense thereof to be allowed by the County Court

and paid for out of the County Treasury."

Persons desiring to enter the Missouri Agri-

cultural College and University at Columbia

or School of Mines and Metallurgy, at Rolla,

are required to make known their intention

to me on or before September 1, 1886.

Catalogues of the Agricultural College and

University can be had on application to the

University Librarian, Columbia, Mo., or at

my office or the office of the County School

Com'r.
